Updateanleitung GeoSteer/Paradyme

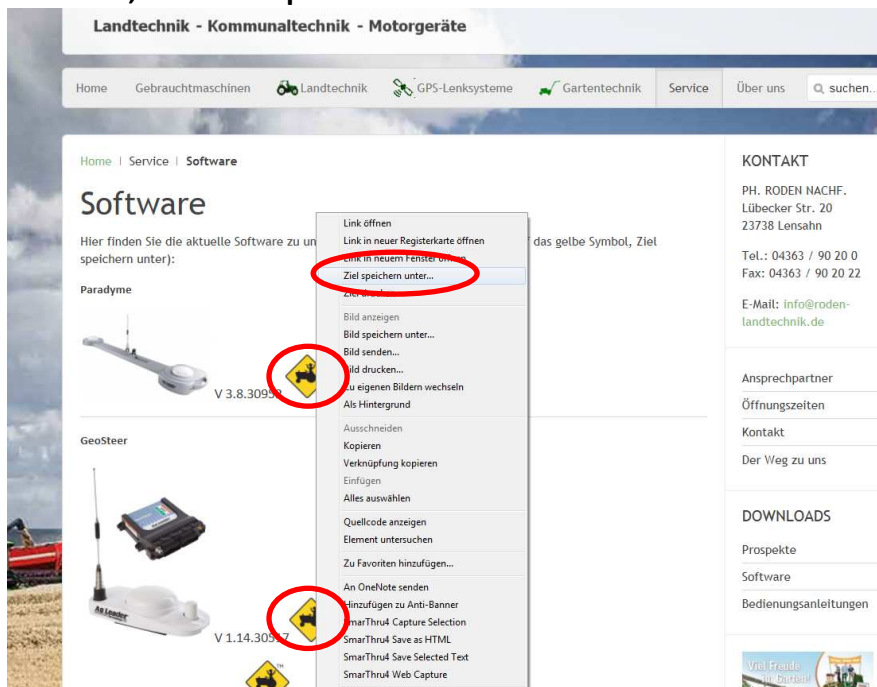

1. www.rodentechnik.de

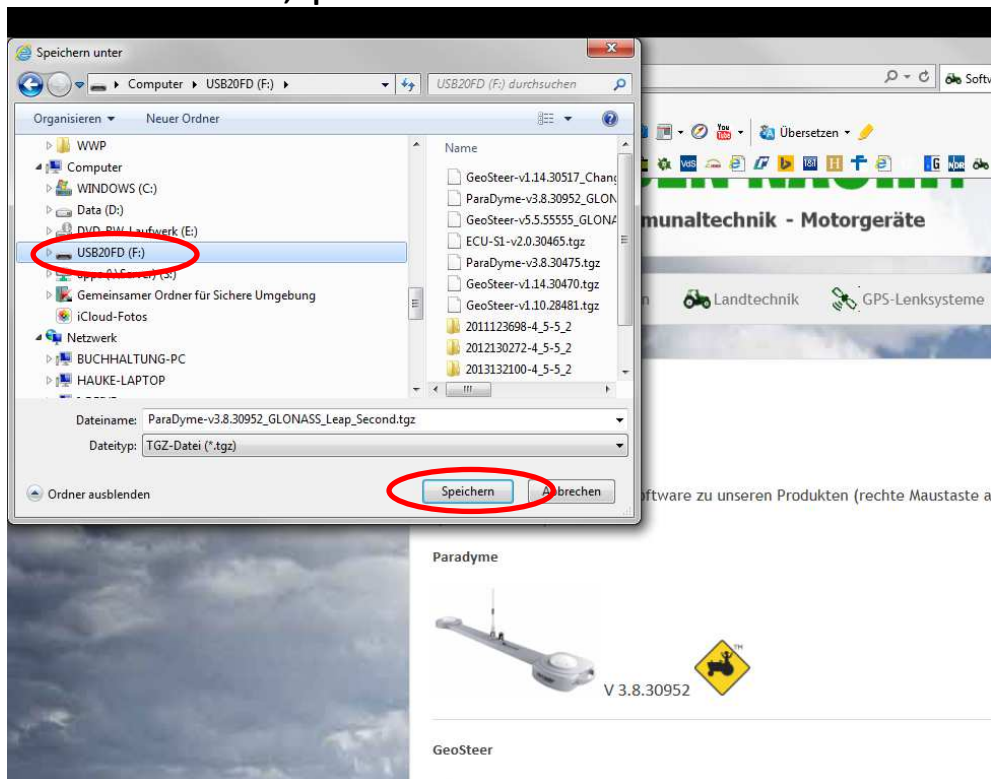

2. Service/Software, USB-Stick einlegen

The screenshot shows the website's header with the logo 'PH. RODEN NACHF.' and the tagline 'Landtechnik - Kommunaltechnik - Motorgeräte'. The navigation menu includes 'Home', 'Gebrauchsmaschinen', 'Landtechnik', 'GPS-Lenkensysteme', 'Gartentechnik', 'Service', and 'Über uns'. A search bar is located on the right. The 'Service' menu is open, showing options for 'Software', 'Bedienungsanleitungen', 'Prospekte', and 'Streutabellen'. The main content area features a large image of a cornfield with a 'OptRx' sensor and the text 'OptRx Optimale Ausbringungsmengen'. The footer contains contact information: 'Tel.: 04363 / 90 20 0', 'Fax: 04363 / 90 20 22', and 'E-Mail: info@rodentechnik.de'. There is also a 'DOWNLOADS' section with a link to 'Prospekte'.

3. Rechte Maustaste auf das gelbe Logo neben der GeoSteer bzw. Paradyne-Software, dann Ziel speichern unter
